EKKA TISSUE PAPER

Hand towels on high-capacity rolls that control how much tissue you take and help cut costs and waste.

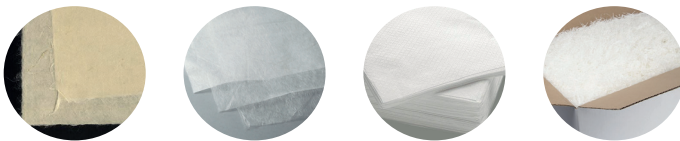

Food preparation areas, busy office and hotel washrooms, hygiene stations.

Features

- 1) Reducing waste, as hard rolls control the amount of towels you take.
- 2) Drying your hands quickly and comfortably with fewer towels
- 3) Strong and highly absorbent without breaking up when wet
- 4) Keeping costs and maintenance down
- 5) Good value per roll and less frequent refilling in high traffic areas
- 6) Caring for the environment
- 7) Towels are dispensed one at a time so they are touched only by the user
